# Redefining mobile satellite communications

VERSATILE. RELIABLE. MOBILE. ENTERPRISE GRADE.

Only one communications company connects the entire globe

Iridium commands the world's furthest-reaching network, making it the only truly global communications company with solutions that span from pole-to-pole. Iridium® voice and data products provide superior communications solutions that allow global companies, government agencies and individuals to stay connected everywhere. With a unique global ecosystem of partners, Iridium continues to create new, high-value capabilities that are leading the world into a new era of communication.
